

collections and/or collections made through research independent of the disinterment of these individuals. Therefore, although most of these individuals had no associated funerary objects, general geographic location and archeological data; existing evidence from the sites has been used to associate these remains with the Caddo Indian Tribe of Oklahoma.

Based on the above-mentioned information, officials of the Arkansas Archeological Survey have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of 140 individuals of Native American ancestry. Officials of the Arkansas Archeological Survey also have determined that, pursuant to 43 CFR 10.2 (d)(2), the 168 objects listed above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony. Lastly, officials of the Arkansas Archeological Survey have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity that can be reasonably traced between these Native American human remains and associated funerary objects and the Caddo Indian Tribe of Oklahoma.

This notice has been sent to officials of the Caddo Indian Tribe of Oklahoma. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains and associated funerary objects should contact Thomas Green, Director, Arkansas Archeological Survey, 2475 North Hatch Avenue, Fayetteville, AR 72704, telephone (501) 575-3556, before May 15, 2002. Repatriation of the human remains and associated funerary objects to the Caddo Indian Tribe of Oklahoma may begin after that date if no additional claimants come forward.

Dated: January 22, 2002.
